

Call for Papers

Dortmund International Research Conference 2013

June 28 – 29, 2013, in Dortmund, Germany

Organized by:

Dortmund University of Applied Sciences and Arts

European Master of Project Management

Invitation:

The main goal of the Dortmund International Research Conference is to provide a forum for reports, discussions and workshops on international aspects of science, research and teaching. The dominant context of the conference is related to a European view on project management. Nevertheless, the conference addresses related areas like business administration, creativity, research management and event management, too. The forum is open to contributions and sessions from different scientific domains.

Conference Streams and Topics

The scope of the conference is:

- Project Management in the European Context
- Quality Management
- Creativity
- Research Management
- Business Administration and Project Management
- Event management
- IT Projects
- Education and Teaching

The opening session and headline for this year's conference is planned with topic related to "energy", e.g.:

- Energy Projects
- Renewable Energies
- Economics of Energy Systems
- Sustainability

This session is organized by Werner Wetekamp and Andre Dechange. Please propose changes and new topics to them.

You are welcome to propose additional topics and special streams. The conference language is English.

Submission

Prospective authors are invited to submit an extended abstract of 3-4 pages (in English only). A template for the abstract is available on:

<http://internationalresearchdortmund.wikispaces.com/home2013>

The deadline for abstract submission is **April 30, 2013**. Please submit contributions as word or pdf document to "carsten.wolff@fh-dortmund.de"
